

Preconception Component of High-Risk Obstetrical Services

Due to the length and complexity of the technical specifications for this measure, we are unable to post the file on the AHRQ Web site. You may access these specifications directly from the CAPQuaM Web site at <http://www.capquam.org/>. Please also send a message to the pqmp team at pqmp@ahrq.hhs.gov to let us know of your interest in this measure.
