SNF Provider Preview Reports- Now Available

Skilled Nursing Facility (SNF) Provider Preview Reports have been updated and are now available. The data contained within the Preview Reports is based on quality data submitted by SNF's between **Q4 2018 - Q3 2019 (10/01/18 – 9/30/2019)** for assessment based quality measures. The data reflects what will be published on Nursing Home (NH) Compare during the **July 2020** refresh of the website. Providers have until **May 30, 2020** to review their performance data. Corrections to the underlying data will not be permitted during this time; however, providers can request CMS review of their data during the preview period if they believe the quality measure scores that are displayed with their Preview Reports are inaccurate.
