IRF Provider Preview Reports – Now Available

Inpatient Rehabilitation Facility (IRF) Provider Preview Reports have been updated and are now available. Please note that the Centers for Medicare & Medicaid Services (CMS) postponed the September 2020 IRF Compare refresh to December 2020 due to technical issues. These reports contain provider performance scores for quality measures, which will be published on IRF Compare and the new Care Compare during the **December 2020** refresh.
