**SUBJECT: October 2022 Healthcare Common Procedure Coding System (HCPCS) Quarterly Update Reminder**

**I. SUMMARY OF CHANGES:** The purpose of this Change Request (CR) is to remind Medicare contractors to download the updated HCPCS file when it becomes available. The complete HCPCS file is updated and released quarterly to the Medicare contractors. The file contains existing, new, revised and discontinued HCPCS codes for the October 2022 quarter. Contractors must download the file via the CMS mainframe in September 2022. This recurring update notification applies to chapter 23, section 20 of the Medicare Claims Processing Manual.

**EFFECTIVE DATE: October 1, 2022**

*\*Unless otherwise specified, the effective date is the date of service.*

**IMPLEMENTATION DATE: October 3, 2022**

*Disclaimer for manual changes only: The revision date and transmittal number apply only to red italicized material. Any other material was previously published and remains unchanged. However, if this revision contains a table of contents, you will receive the new/revised information only, and not the entire table of contents.*

**For Medicare Administrative Contractors (MACs):**

The Medicare Administrative Contractor is hereby advised that this constitutes technical direction as defined in your contract. CMS does not construe this as a change to the MAC Statement of Work. The contractor is not obligated to incur costs in excess of the amounts allotted in your contract unless and until specifically authorized by the Contracting Officer. If the contractor considers anything provided, as described above, to be outside the current scope of work, the contractor shall withhold performance on the part(s) in question and immediately notify the Contracting Officer, in writing or by e-mail, and request formal directions regarding continued performance requirements.

## I. GENERAL INFORMATION

**A. Background:** Medicare providers submitting claims to Medicare contractors for Part B services use a HCPCS code to indicate the service that was rendered. The updated HCPCS file containing the HCPCS codes is released quarterly to Medicare contractors via the Centers for Medicare & Medicaid Services (CMS) mainframe telecommunications system. If any adjustments/updates are needed prior to the Change Request (CR) effective date, the contractors shall be notified by an email from CMS to the CMS Functional Workgroups. The email will include instructions to implement the adjustments/updates. The alphanumeric index and the table of drugs will also be posted to the CMS website in August 2022. The website address is <https://www.cms.gov/Medicare/Coding/HCPCSReleaseCodeSets/HCPCS-Quarterly-Update>

**B. Policy:** There is no new policy associated with this CR.
