III. FUNDING:

For Medicare Administrative Contractors (MACs):

The Medicare Administrative Contractor is hereby advised that this constitutes technical direction as defined in your contract. CMS does not construe this as a change to the MAC Statement of Work. The contractor is not obligated to incur costs in excess of the amounts allotted in your contract unless and until specifically authorized by the Contracting Officer. If the contractor considers anything provided, as described above, to be outside the current scope of work, the contractor shall withhold performance on the part(s) in question and immediately notify the Contracting Officer, in writing or by e-mail, and request formal directions regarding continued performance requirements.

I. GENERAL INFORMATION

A. Background: The ASP methodology is based on quarterly data submitted to the Centers for Medicare & Medicaid Services (CMS) by manufacturers. CMS will supply the contractors with the ASP and Not Otherwise Classified (NOC) drug pricing files for Medicare Part B drugs on a quarterly basis. Payment allowance limits under the Outpatient Prospective Payment System (OPPS) are incorporated into the Outpatient Code Editor (OCE) through separate instructions that can be located in chapter 4, section 50 of the Internet-only Manual.

B. Policy: This recurring update addresses the following pricing files:

File: July 2023 ASP and ASP NOC -- Effective Dates of Service: July 1, 2023, through September 30, 2023

File: April 2023 ASP and ASP NOC -- Effective Dates of Service: April 1, 2023, through June 30, 2023

File: January 2023 ASP and ASP NOC -- Effective Dates of Service: January 1, 2023, through March 31, 2023

File: October 2022 ASP and ASP NOC -- Effective Dates of Service: October 1, 2022, through December 31, 2022

File: July 2022 ASP and ASP NOC -- Effective Dates of Service: July 1, 2022, through September 30, 2022
