

**Glaucoma can take
your sight away.**

Keep Vision in Your Future.

Faith-Based Institution Bulletin Copy

Choose a message from the list below and include it in your weekly bulletin.

Your eye sight is a gift. Protect it from glaucoma. Keep vision in your future and schedule an appointment with your eye care professional. For more information, visit <http://www.nei.nih.gov/glaucoma>.

Wisdom and understanding are important. That's why we need you to know that glaucoma has no warning signs. If left untreated, it can cause permanent vision loss, even blindness. See your eye care professional and get a dilated eye exam. For more on what you need to know about glaucoma, visit <http://www.nei.nih.gov/glaucoma>.

Glaucoma is an eye disease that has no symptoms and is a leading cause of vision loss and blindness. Take care of yourself and your loved ones by scheduling an eye exam. Learn more about glaucoma. Visit <http://www.nei.nih.gov/glaucoma>.
