

Glaucoma: Keep Vision in Your Future

is excited to bring an informational presentation about glaucoma to your community!

Join us:

The truth is that **glaucoma has no warning signs**. And nearly 3 million people in the United States have glaucoma but half of them don't even know it. The good news is that you can take steps to protect your vision!

Our informational presentation will help you learn:

- What glaucoma is
- How glaucoma affects your vision
- How eye doctors test for glaucoma
- Why early treatment can help you make the most of your vision
