

THIS IS A NOTICE OF INTENT TO AWARD A SOLE SOURCE ORDER AND NOT A REQUEST FOR QUOTATIONS. This contract action is for the acquisition of Services for which the Government intends to solicit and negotiate with only one source under the authority of Federal Acquisition Regulation (FAR) Subpart 13.106-I(b). The National Institute of Environmental Health Sciences (NIEHS), Office of Acquisitions (OA) intends to award a single source purchase order to Illumina, Inc. 5200 Illumina Way San Diego CA 92122-4616 USA; UNI# KMW3CRWNAAF3, for the acquisition of BaseSpace Correlation Engine software.

BaseSpace is a library of curated public genomic data which allows for research data to be compared against and correlated to the library to identify mechanisms of disease, drug targets, and prognostic or predictive biomarkers.

Description:

CLN1: BaseSpace Correlation Engine software annual license for academic large labs

The anticipated period of performance for the software: 8/1/2024 - 7/31/2025

The applicable North American Industry Classification System (NAICS) code for this acquisition is 513210 – Software Publishers and a size standard of \$47.0M.

NIEHS will solicit and negotiate directly with Illumina, Inc. and no solicitation will be issued. Interested parties may identify their interest and capability. Award is subject to approval of the Sole Source Justification. This notice of intent is not a request for competitive proposals or quotations; however, an interested party may submit a statement of capabilities if they believe they can meet the above requirement. The statement of capabilities must be submitted in writing and contain sufficient detail to allow the Government to determine if the party can provide the requirement. A determination by the Government not to compete this proposed action based upon responses to this notice is solely with the discretion of the Government. All responses must be received within (5) days from the date of publication of this synopsis. Information received will normally be considered for the purpose of determining whether to conduct a competitive procurement. If no affirmative responses are received within (5) days of this notice, an award will be made to Illumina, Inc. This procurement is to be processed using Simplified Acquisition Procedures. There is no solicitation package available. No faxed documents will be accepted. For any questions regarding this announcement, please contact Carlton Taylor via email carlton.taylor@nih.gov.
