

**Agreement on Permissible Uses of NIH’s StoryCorps Collection**

1. I understand that I can use the recordings that form NIH’s StoryCorps Collection for the following purposes only:
  - a. Education and/or research.
  - b. Posting recordings on my organization’s website in a non-downloadable format or as a podcast.
  - c. Use in a public listening station operated at a site owned or maintained by my organization, provided that listeners shall not be permitted to make copies of the recordings or portions of the recordings.
  - d. Use of the recordings in exhibitions displayed at sites owned or maintained by my organization.
2. If I would like to use the recordings in a manner not outlined above, I will contact NIH for review of my request. All requests must be approved by both NIH and StoryCorps.
3. NIH and StoryCorps reserve the right to request that my organization ceases use of recordings due to failure to adhere to the permissible uses outlined here.
4. NIH and StoryCorps bear no responsibility or liability for use of recordings by my organization.

By signing below, I acknowledge that I understand and accept the above terms.
